WILLOW'S INSPIRING WOMEN

Willow Willpower by blOOturtle

## Olympe de Gouges

\* 7. Mai 1748; † 3. November 1793

*She is the author of the Declaration of Rights of the Woman and Citizen of 1791.*

**Performances**

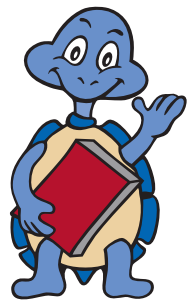

- She wrote as a scout in 1774 a memorandum, which turned against slavery
- In 1785, the author submitted her play *Zamore et Mirza*, which dealt with slavery in the colonies. As a result, she was implicated in slander for years and even imprisoned in the Bastille.
- In 1786, under a pseudonym, her epistolary memoir of Madame Valmont criticized the ingratitude and atrocities against the treatment of unmarried mothers and their „bastard“ children, and wrote about divorce and the right to have sexual relations outside of marriage.
- During the Revolution, Olympe de Gouges became a passionate advocate of women's human rights, civil rights.
- Accused in 1793 under the rule Robespierres and sentenced to death with guillotine for „her commitment to women's rights“ amongst other things.
